WELCOME

Grace and peace to you. This was the Apostle Paul's traditional greeting to the churches in God's Kingdom community—God's family of grace and peace. Family relationships are important to God and they're important to us too! We hope and pray that you find grace and peace and family here in our Kingdom community. Please take some time to check out our programs, church school, or a sermon or two. We hope you'll come back frequently, and we pray that God will richly bless you as you seek to know Him and grow in grace.

If you would like to help us with this outreach, please drop off your new men's and women's socks at SSCS Monday-Thursday from 8:00-4:00PM, **OR** bring them to church and give them to an SSCS student by October 27th. OFFERING THIS WEEK is for the Local Church Budget. Beware of Misplaced Hope

1 Timothy 6:17

"Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment."

We worship God with our resources because this protects us from misplaced hope. As humans, we tend to trust in something or someone bigger than ourselves. We do not control all aspects of our existence. In the absence of hope, our lives are overwhelmed by anguish and despair. One natural inclination is to put our confidence in the resources that we have accumulated. They are visible and measurable, leading us to think that they are sure. However, according to Paul, it is safer to place our hope in the Source of wealth than in wealth.

Mark, from South China, was deeply moved by a call for offering, and he brought 30% of his total savings as his offering. Unexpectedly, he experienced a severe financial crisis soon afterward. His new business collapsed, and he fell into debt. Life's uncertainties! During this time, he heard an appeal for a new church building at the cost of 10 million Chinese Yuan. Mark realized that it was a rare opportunity to advance God's mission in his province which had more than 60 million in population. Impressed by the Spirit, he made a commitment of 400,000 Chinese Yuan, with no idea where the money would come from. Then something amazing happened: the shareholder of his former architecture company invited him to resume work with them. He accepted the offer and was promoted to be an executive officer and board director in a short time. Mark ended up contributing 1 million Chinese Yuan to the church building project. Looking backward at his life's experience, he wrote: "The grace of the Lord is like endless running water."

Mark demonstrated trust by giving His fleeting resources to worship the God who richly provides for everything. This week, as we worship with our tithe and regular offerings, let us make a statement about where our hope resides.

Prayer: Lord, we praise You for being a sure hope for Your children. Protect us daily from the deception of misplaced hope.
